PROGRAMMING ACTIVITIES/PROJECTS

PERSONAL PROJECT
FEB. 2019

RECIPE APP
- Used React.Js and an API to allow users to search up food recipes. After searching, the page displays rows of recipe items. Each recipe item directs the user to the recipe link.

HACKATHON PARTICIPANT
NOV. 2018

TECHNICA WOMEN'S HACKATHON   COLLEGE PARK, MARYLAND
- Used HTML and CSS to collaborate with a team of 4 to create a website about the awareness of different job possibilities in the technological field
- Attended workshops regarding cybersecurity and securing code, intermediate hardware, the basics of cloud computing, mobile AR development with unity and information gathering with free APIs

EXTRACURRICULAR COURSE
SEPT. 2017 – DEC. 2017

NYPL'S PROJECT CODE PROGRAM PHASE I   NEW YORK, NY
- Completed a 10-week course with NYPL to learn about HTML tags and attributes, content organization, CSS styling, selectors, classes, ID's, the box model, arranging elements and understanding layouts
- Collaborated with a team of 2 to create a mock bakery website using HTML and CSS and the knowledge retained from class
- Created an independent website utilizing topics learned from class such as classes and ID's, containers, design concepts and positioning to demonstrate a blog about makeup cosmetics

PROFESSIONAL EXPERIENCE

RECEPTIONIST
JAN. 2016 – MAY 2018

SENIOR CITIZEN ASSOCIATION HUNTER COLLEGE   NEW YORK, NY
- Checked-in seniors and performed basic clerical duties
- Assisted senior auditors with signing up for classes and scheduling
- Provided seniors with IT support regarding access to CUNY's student website

TUTOR/INSTRUCTOR'S ASSISTANT
SEPT. 2014 – JAN. 2016

**KUMON ASTORIA**   ASTORIA, NY
- Produced and organized classwork weekly for students
- Utilized microsoft excel to track student's daily progress on a computer database
- Communicated with guardians about student's progress & other academic concerns

VOLUNTEERING

AMERICAN RED CROSS

Received psychological first aid and CPR training in order to spot injured runners at the NYRR marathon

Installed over 30 fire alarms within homes and educated residents about the importance of fire safety

Led a team of volunteers to organize and tidy multiple classrooms to beautify an elementary school
